PRESIDENT'S MESSAGE

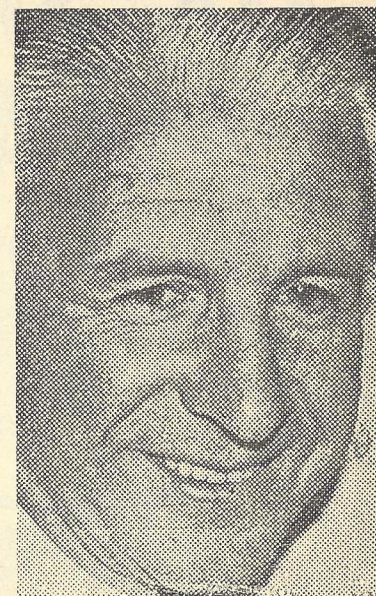

THE 70 YEAR SUCCESS STORY OF S.A. SOCCER

1972 marks the 70th birthday of organised soccer in South Australia.

It was 1902 when the S.A. British Football Association was formed and the League comprised of three clubs only—South Adelaide, North Adelaide and Woodville.

Progress was slowed down by the first World War and, on the resumption in 1920, there were still only five clubs. 1972 sees us with 32 League clubs and over 400 teams throughout the State—progress, indeed. But we are hungry for improved standards. A national league is the obvious solution, but until we get this, the next best thing is a dilution of senior clubs. There are too many for a city the size of Adelaide—the spectators are spread out and so of course is the talent. I would like to see a super league of eight clubs only.

The Second and Third Divisions would become a 16-team League with an extended season of about six weeks, which would give them more of the limelight.

Mr. A. Hastings, President

It is fashionable to give titles to the years now. This is the year of the rat in China, but in S.A. soccer this is the year of the sponsor. I have to thank old friends in Ampol Petroleum, West End Brewery, W. D. & H. O.

"O.K. SPORT...
YOU ASKED
FOR IT!"

All of it.
Racing, Football,
Cricket, Golf, Tennis,
Bowls, and so on.
And like all good sports,
we give it to you,
fair and square in
"The Advertiser", every day
of the week.

The Advertiser

PRESIDENT'S MESSAGE...

Wills and Coca-Cola. They have done a wonderful job for soccer, and new friends in Philips Industries, John Martin's stores and Rothmans are to be congratulated on their enterprise, for we are knocking at the door of big time. We are being helped along greatly by the three local papers, Channel Seven with its Sunday spot, and Channel Two with its U.K. Soccer Match of the Day. Channel Ten cannot be left out as

they, too, are showing an increased interest in the game.

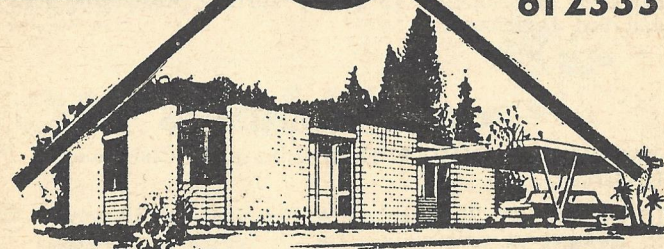

Exciting times, indeed, and I am pleased I shall be leaving my beloved soccer in such a healthy state. By the end of the year I will have completed 43 years (36 in the U.K. as a player and administrator) in senior football (I say football deliberately) and wish to make way for younger blood. My best wishes to all soccer followers.

A. HASTINGS
President S.A. Soccer
Federation.

KNOW THE RULES

THE FIELD OF PLAY

The field of play shall be rectangular with minimum and maximum measurements as shown in diagram. The sides of the goal and penalty areas are at right angles to the goal line and of equal distance from each touch line. The front edge of each is parallel with the goal line.

Field Markings: The field markings shall be distinctive and not more than 5 inches in width. V-shaped ruts instead of markings are not permitted. The measurement of 6 yards along the goal line for the goal area and 18 yards for the penalty area must start from the inside of the goal posts. The space within the inside areas of the field of play includes the width of the lines marking these areas. The home club is responsible for the proper marking of the ground.

Goal Posts: The goal posts are 8 feet high (inside measurement) joined by a crossbar 8 yards long, maximum width of goal posts and crossbar shall be 5 inches (12 centimetres), the goal posts are placed on the centre of each goal line. The goal line shall be marked the same width as the depth of the goal posts and crossbar so that the goal line and goal posts will conform to the same interior and exterior edge.

If during a match the crossbar becomes displaced or broken, play shall be stopped and the match abandoned unless the crossbar can be replaced or repaired. A rope cannot be allowed as a substitute for a crossbar. The match would be restarted with the Referee dropping the ball at the place where the play was first stopped. Goal posts and crossbars must be made of wood, metal or other approved material; they may be square, rectangular, round, half-round or elliptical in shape and are to be painted white. Nets may be fixed to the goal posts, crossbar and ground. They should be appropriately supported and placed to allow the goalkeeper ample space. The rules of the competition may require goal nets to be used. Corner and mid-field flag posts must be not less than 5 feet in height without any sharp edges or points. Light coloured flags are to be used.

THE BALL

The ball shall be spherical. The outer casing shall be leather or materials approved by F.I.F.A. No material shall be used in its construction which might prove to be a danger to players. The circumference of the ball shall not be more than 28 inches and not less than 27 inches. The weight of the ball at the start of the game shall not be more than 16 ozs. or less than 14 ozs. It shall be appropriately inflated, inspected and approved by the Referee before the start of each game. The ball may not be changed during a game without the approval of the Referee. At the close of play the ball must be returned to the Referee. If the ball bursts or becomes deflated in the course of play, the Referee shall stop the game and restart it by dropping the new ball at the place where the previous one became

● RULES—Continued

defective. If a ball becomes defective while out of play, the Referee shall start the game in the normal manner (goal kick, corner kick, throw-in, etc.). The home club supplies the ball and should always have reserve balls on hand.

NUMBER OF PLAYERS

A match shall be played by two teams each consisting of up to eleven players, including a goalkeeper.

Substitutes: F.I.F.A. allows a maximum of two substitutes per team, but local or national Associations may vary this rule. In Victoria, for instance, one outfield player may be substituted up to and including half-time, whether injured or not, and the goalkeeper may be substituted once by a player listed as a reserve on the team sheet. The Referee must be informed of nominated substitutes before the start of the match. Any of the outfield players may change places with the goalkeeper as often as they wish during the game provided that the Referee is informed before such change is made. If, without informing the Referee, a player or named substitute changes places with the goalkeeper and then handles the ball within his own penalty area, a penalty kick shall be awarded. F.I.F.A. stipulates that a match not to be considered valid if there are fewer than seven players in either team. A player may be ordered off before the start of play and, in such event, may be replaced by the named substitute without any delay to the kick-off. A player ordered off after the start of play may not be replaced. (This applies to players sent off under Law 12 only). A player who has been replaced shall take no further part in the game.

A substitute may only enter the field of play during a stoppage in the game and after receiving a signal from the Referee authorising him to do so.

Substitutes are deemed players and shall be subject to the authority and jurisdiction of the Referee whether they take part in the game or not. F.I.F.A. holds every club responsible for the behaviour of its players. Clubs should, wherever possible, provide a race for players and officials from dressing rooms to the playing area.

PLAYERS' EQUIPMENT

A player shall not wear any article which may endanger other players.

Boots: Boots must conform to the following standards:

- (a) Bars shall be made of rubber or leather, be transverse and flat, not less than $\frac{1}{2}$ in. width and extend to the total width of the boots and be of rounded shape.
- (b) Studs shall be made of leather, rubber, plastic or similar materials and shall be concealed with the exception of that part of the stud forming the base which shall not protrude from the sole more than $\frac{1}{4}$ in. Studs, whether straight or tapered, shall not be less than $\frac{1}{2}$ in. in diameter in any part. If screws are used, these must be part of the stud and any

metal seating must be embedded in the sole. No other metal plates may be part of the boot even if covered with leather. No protruding edges, rims or nails, relief markings or ornaments on the studs are allowed.

- (c) Combined bars and studs may be worn, provided they conform to the general requirements of this Law. Bars and studs on sole or heel shall not protrude more than $\frac{3}{4}$ in.

Example: The usual equipment of a player consists of a jersey or shirt, shorts, stockings and boots. The goalkeeper shall wear colours which distinguish him from other players.

REFEREES

A Referee shall be appointed to officiate in each game AND HE SHALL . . .

- (a) ENFORCE THE LAWS AND DECIDE ANY DISPUTES. HIS DECISIONS ON POINTS OF FACTS CONNECTED WITH THE PLAY SHALL BE FINAL, including the result of the game.
- (b) Keep a record of the game, act as timekeeper, for the full or agreed time. He shall add all time lost through incidents or other causes.
- (c) Have the discretion to stop the game for any infringement of the Law or to suspend or terminate the game whether by reason of the elements, interference by spectators or other causes deems such stoppage necessary. In such a case he shall submit a detailed report to the appropriate authorities.
- (d) Have the power from the time he enters the field of play to caution any player guilty of misconduct or ungently behaviour and, if such player persists, to suspend him from further participation in the game. In such cases the Referee shall send a report with the name of the player and offence or offences for which he was ordered off to the appropriate authorities.
- (e) Ensure that no persons other than players or linesman enter the field of play without his permission.
- (f) Stop the game if, in his opinion, a player has been seriously injured, have the player removed as soon as possible and immediately resume the game. If a player has been slightly injured the game shall not be stopped until the ball goes out of play. A player who is able to go to the touch or goal line for attention of any kind shall not be treated on the field of play (the International Board states that the provisions of this clause be strictly observed).
- (g) Have discretionary power to suspend from further participation in the game WITHOUT PREVIOUS CAUTION, a player guilty of violent conduct.
- (h) Signal for the recommencement of the game after all stoppages.

● RULES—Continued

- (i) Decide that the ball provided for a match meets with the requirements of Law 2.

LINESMEN

Two linesmen may be appointed whose duties (subject to the decision of the Referee) shall be to indicate when the ball is out of play, which side is entitled to a corner kick, goal kick or throw in. They shall also assist the Referee to control the game in accordance with the Laws. In the event of undue interference or improper conduct by a linesman, the Referee shall dispense with his services, arrange for a substitute and report such offending linesman to the appropriate authority. The linesmen should be provided with flags by the club on whose ground the match is played. Linesmen provided by the clubs should report to the Referee before the start of the match to receive their instructions and to be informed that the Referee's decisions are final and cannot be questioned by them. A player who is under suspension may not act as linesman or Referee.

DURATION OF THE GAME

The duration of the game shall be two equal periods of 45 minutes, or as otherwise mutually agreed upon by the participating clubs and permitted by the rules of the competition, subject to the following:—

- (a) Allowance shall be made in either period for all time lost through accident or other cause. The amount of time added shall be entirely a matter for the Referee's discretion.
- (b) Time shall be extended to permit the taking of a penalty kick at or after the expiration of normal time in either half. The half-time interval shall not exceed five minutes, unless an extension of time is granted by the Referee. If a match has been stopped by the Referee before the full time has been played for any reason in Law 5, it must be replayed in full unless the rules of the competition provide for the result to stand at the time of such stoppage.

START OF PLAY

- (a) At the beginning of the game choice of ends and kick-off shall be decided by the toss of a coin. The winner of such toss may pick his end of the field OR decide to kick off. The Referee having been given his signal, the game shall be started by a player taking a PLACE KICK (i.e., a kick at the ball whilst it is stationary on the ground) in the centre of the field of play, toward the opponents' half of the field. Every player shall be positioned in his own half of the field and the opponents shall remain at least 10 yards from the ball until it is kicked off. It shall be deemed in play when it has travelled the distance of its own circumference. The player taking the kick off may not kick the ball for a second time until it has been touched, or played by another player.
- (b) After a goal has been scored, the game shall be restarted in

● RULES—Continued

the same manner by a player of the team against which the goal was scored.

- (c) After the half-time interval, teams shall change ends and the kick-off taken by a player of the opposite team to the one who started the game.

BALL IN AND OUT OF PLAY

The ball is out of play—

- (a) When it has WHOLLY crossed the goal line or touch line whether on the ground or in the air.
- (b) When the game has been stopped by the Referee. The ball is in play at all other times, including:
 - (i) If it rebounds from a goal post, crossbar or corner flag post into the field of play.
 - (ii) If it rebounds off either the Referee or linesman when they are in the field of play.
- (c) IN THE EVENT OF A SUPPOSED INFRINGEMENT UNTIL A DECISION IS GIVEN BY THE REFEREE.

METHOD OF SCORING

Except as otherwise provided for by these Laws, a goal is scored when the whole of the ball has passed over the goal line between the goal posts and under the crossbar, provided it has not been THROWN, CARRIED, or propelled by hand or arm of an attacking player. The team scoring the greater number of goals during the game shall be the winner. If no goals or an equal number of goals are scored, the results of the game shall be termed as a "draw."

This Law defines the ONLY way in which a match can be won or drawn.

If the ball has been stopped from going into goal by an outside agency (stray dog, spectator, etc.), the Referee will stop play and restart the game by dropping the ball where the incident took place.

OFFSIDE

A player is offside if he is nearer his opponent's goal line than the ball AT THE MOMENT IT IS PLAYED, unless:

- (a) He is in his own half of the field of play.
- (b) There are two opponents NEARER to their own goal than he is.
- (c) The ball last touched an opponent or was last played by him.
- (d) He receives the ball direct from a goal kick, a corner kick, a throw-in or when it is dropped by the Referee.

For an infringement of this Law an indirect free kick will be given to the opposing side from the point where the infringement occurred. A player in an offside position shall not be penalised unless IN THE OPINION OF THE REFEREE he is interfering with play or an opponent, or is seeking to gain an advantage by being in an offside position.

Offside is not judged from the moment a player receives the ball, but from the moment the ball is passed to a player by a member of his own side.

FOULS AND MISCONDUCT

A player who INTENTIONALLY commits any of the following offences—

- (a) Kicks or attempts to kick an opponent.
- (b) Trips an opponent, i.e., throwing or attempting to throw him by the use of the legs or by stopping in front of or behind his opponent.
- (c) Jumps at an opponent.
- (d) Charges an opponent in a violent or dangerous manner.
- (e) Charges an opponent from behind unless the opponent is obstructing.
- (f) Strikes or attempts to strike an opponent.
- (g) Holds an opponent with his hand or any part of his arm.
- (h) Pushes an opponent with his hand or any part of his arm.
- (i) Handles the ball, i.e., carries, strikes, or propels the ball with his hand or arm (this does not apply to the goalkeeper in his own penalty area)

shall be penalised by the award of a direct free kick to be taken by an opponent from the place where the offence occurred. If a defender commits any one of these nine offences within his penalty area the PENALTY KICK shall be awarded to his opponent. The penalty kick can be awarded IRRESPECTIVE OF THE POSITION OF THE BALL, if in play, as long as the offence occurs within the penalty area.

A player committing any of the five following offences—

- (1) Playing in a dangerous manner.
- (2) Charging, i.e., with the shoulder when the ball is not within playing distance.
- (3) When not playing the ball he intentionally obstructs an opponent, i.e., running between the opponent and the ball or interposing the body so as to form an obstacle to an opponent.
- (4) Charging the goalkeeper except when he is—
 - (a) Holding the ball.
 - (b) Is obstructing an opponent.
 - (c) Has passed outside his goal area.
- (5) A goalkeeper may take no more than four steps whilst holding, bouncing, or throwing the ball in the penalty area and catching it again without releasing it to be played by another player. A goalkeeper may also not indulge in tactics which, in the opinion of the Referee, are designed to hold up the game and to give an unfair advantage to his own team.

The penalty applying to any of these five offences shall be an indirect free kick to the opposing team from place where the infringement occurred. A player shall be CAUTIONED if—

- (1) He enters the field of play to join or rejoin his team after the match has begun without first having received a signal

of approval from the Referee. (If the game is stopped to administer a caution, such game shall be restarted by the Referee dropping the ball where the infringement occurred and not where the ball is at the time of the stoppage—in this regard the implications of Law 12 do not oblige the Referee to stop the game to administer the caution, but the Referee can also apply the advantage clause).

- (2) He persistently infringes the Laws of the game.
- (3) He shows by word or action dissent of any decision given by the Referee.
- (4) He is guilty of ungentlemanly conduct.

FREE KICKS

Free kicks shall be classified as follows—"DIRECT" (from which a goal may be scored against the offending side) and "INDIRECT" (from which a goal cannot be scored unless the ball has been touched or played by another player before entering the goal). When a player is taking a direct or indirect free kick in his penalty area all opponents must be outside the area and at least 10 yards from the ball. The ball must be kicked directly into play beyond the penalty line and, if this is not done, the kick must be retaken.

When a player is taking a direct or indirect free kick outside his own penalty area all opposing players shall be at least 10 yards from the ball unless they are standing on their own goal line or between the posts. If an opponent encroaches before the free kick is taken, the Referee shall delay the taking of the kick until this section of the Law is complied with. The ball must be stationary when a direct free kick is taken and a player taking the free kick shall not play the ball a second time until it has been touched or played by another player. For an infringement of this clause an indirect free kick is awarded to the opposing team at the place where the infringement occurred. A Referee, when awarding an indirect free Kick, shall signal it by raising his arm before giving the signal for the kick to be taken. Players who do not retire to the proper distance when a free kick is taken must be cautioned and, on repetition, SENT OFF. International Board suggests that Referees treat as serious misconduct, attempts to delay taking of a free kick, players making such attempts shall be cautioned for ungentlemanly conduct.

PENALTY KICK

A penalty kick shall be taken from the penalty spot and when such kick is being taken all players shall be outside the penalty area and at least 10 yards from the ball, with the exception of the player taking the kick and the opponent's goalkeeper. The opposing goalkeeper must stand (WITHOUT MOVING HIS FEET) on his own goal line and between the posts UNTIL THE BALL IS KICKED. A player taking a penalty kick must kick the ball towards the goal and, if he plays the ball a second time before another player has touched it, the player shall be penalised with an indirect free kick to the oppo-

● RULES—Continued

sition. A goal may be scored direct from a penalty kick and, if necessary, time shall be extended at half-time or full-time to allow the penalty kick to be taken. If an infringement takes place when a penalty kick is being taken and a goal does not result, such kick shall be retaken. If a goalkeeper moves his feet after the Referee has signalled for the kick to be taken, but before the ball is kicked and a goal is not scored, the kick shall be retaken. If players on both sides encroach before the ball is in play the kick must be retaken. When a match is extended to allow a penalty kick to be taken the match ends when—

- (a) Ball goes directly into the goal. Goal scored.
- (b) Ball rebounds into goal from goal posts, crossbar, goalkeeper. Goal scored.
- (c) Ball passes out of play outside goal posts or over crossbar. No goal.
- (d) Ball strikes goal posts, crossbar, goalkeeper and rebounds into play. No goal.
- (e) The goalkeeper clearly saves. No goal.

If the ball is stopped in its course by an outside agent, or a defender encroaches when the kick is being taken, time shall be further extended for the kick to be retaken.

THROW-IN

When the whole of the ball passes over the whole touch line, either on the ground or in the air, it shall be thrown in from the point where it crossed the line, in any direction, by a player of the team opposite to that of the player who last touched the ball. The thrower at the moment of delivery must face field of play and part of each foot shall be either on the touch line or on the ground outside it. The thrower shall use BOTH hands, deliver the ball from behind AND over his head. The ball is in play immediately it enters the field of play, but if the thrower plays the ball a second time, before it is touched by another player, he shall be penalised by an INDIRECT FREE KICK to the opposition from the place where the infringement occurred. If the throw-in is improperly taken play shall be stopped and a member of the other side shall take the throw-in. If a player of the opposing team dances about or gesticulates in any way to distract or impede a thrower it is deemed ungentlemanly conduct and the player must be cautioned. The ball must be thrown, not dropped. Players are reminded that childish throwing or kicking the ball away when a throw-in or any other decision is given against them, constitutes ungentlemanly conduct for which a player should receive a caution.

GOAL KICK

When the whole of the ball passes over the goal line, excluding that portion between the goal posts and under the cross bar, either on the ground or in the air, having last been played by an attacker, it shall be kicked directly into play beyond the penalty area by a

defending player from that half of the goal area nearest to where it crosses the line. If the ball does not go beyond the penalty area before being touched by another player, the kick must be retaken. If the kicker touches the ball again after it passes out of the penalty area, but before it is touched by another player, an INDIRECT FREE KICK shall be awarded against him at the place where the infringement occurred. If he touches it a second time before it goes out of the area the kick must be retaken. All players of the attacking side must remain outside the penalty area until the kick is taken. A goal may not be scored direct from a goal kick.

CORNER KICK

When the whole of the ball passes over the goal line, excluding that portion between the goal posts and under the crossbar, either on the ground or in the air, having last been played by a member of the defending team, an attacker shall kick the ball from within the quarter circle at the nearest corner flag post WHICH MUST NOT BE MOVED, i.e., a corner kick. A goal may be scored direct from a corner kick. All opponents shall remain at least 10 yards from the ball until the kick is taken. If the player plays the ball a second time, even if it rebounds to him off the goal post before another player has touched it, he shall be penalised by the award of an INDIRECT FREE KICK against him from the place where the infringement occurred.

ROUND-UP ● BY TOM McKAIN

ONLY ONE CHANGE IN TOP 4

● Although Hellas won the League title with weeks to spare, 1971 still provided an exciting competition, with clubs aiming for the top four positions so as to qualify for the Coca-Cola Cup play-offs, and for the top seven placings to qualify for the 1972 Ampol Cup night series.

But despite the excitement, there was only one change in the top four compared to the previous year.

Lion, fourth in 1970, dropped to fifth and were replaced in the four by Victoria, who finished third after being seventh in 1970.

Hellas, of course, finished top after a third the previous year, and Juventus ended runners-up, losing the title they had held from 1970.

Polonia hung on to fourth place after a second spot in 1970.

Azzurri again finished sixth. Budapest dropped three places to eighth, Cumberland one to ninth, and Croatia, second bottom in 1970, were last and relegated to Second Division, which let Second Division champions, Beograd, come up for 1972.

Elizabeth, promoted from Second Division last year, did well to finish seventh in their first season back in the top competition.

Nick Pantelis (Hellas) . . . top scorer with 17 goals.

Top scoring honours went to Hellas with their 52 goals for the League competition.

Juventus were second with 43.

Victoria had the best defensive record with only 18 goals against them.

Hellas let through 19 and Juventus 20.

Although relegated, Croatia did not have the worst defensive record—they conceded 47 goals but were “beaten” by Budapest, who let in 49 to be wooden spoonists in the defensive department.

And Croatia were not the

● ROUND-UP—Cont.

weakest shooters—they scored 20 goals while Cumberland netted 17.

In winning the title, Hellas lost only two games—to Victoria and Juventus—and achieved the remarkable record of being the only club not to draw a game.

The previous year they shared the points six times.

Most draws were recorded by Lion, Elizabeth and Budapest, with four each.

Apart from the top four battle for the Coca-Cola Cup positions, the relegation struggle between Croatia and Cumberland continued right up until the final stages.

Having won the Ampol Cup at the beginning of the year Hellas were after the "Grand Slam"—Ampol Cup, League title, Federation Cup and Coca-Cola Cup.

But it was not to be.

Juventus retained the Federation Cup and took out the Coca-Cola Cup.

They beat Hellas 1-0 in the Federation Cup final and Polonia 3-1 in the Coca-Cola Cup final.

In the individual scoring list for the League competition, Nick Pantelis, of Hellas, held on to his lead (17 goals) despite a late burst by Juventus striker, Joe Serafini, who finished second on 16.

WEST END MEDAL COUNT

BUGSY VOTED S.A.'s BEST

Bugsy Nyskohus, Lion and State right back, took out the 1971 West End Medal for the best and fairest player by five votes.

The 21-year-old defender, who later went on to captain the State Under 21 team in a draw with N.S.W., collected 27 votes.

Second was Polonia midfielder, Henry Kolecki, with 22.

Elizabeth midfielder Sammy McLeod finished on 20, the same as Hellas midfield man, Dave Pillans, but McLeod got third place on a count-back.

The Referees, who cast the votes, gave Nyskohus five firsts, five seconds and two thirds.

For the first time since the Medal count was introduced in 1965, the telecast from Channel Ten featured a computer which flashed progress in various sections, and an overall picture, as members of the S.A. Federation Board read out the votes for each player.

Figures were relayed to the I.B.M. computer base in Melbourne, and from there figures were flashed back to the machine at SAS10 and telecast to viewers' screens.

To complete the top 10 were: Billy Birch (Hellas) (19), John

Bugsy Nyskohus

Mason (Cumberland) (19), Alex Zurawski (Polonia) (17), Tony Keiboom (Victoria) (16), Eric Norman (Juventus) (16), and Graham Sherriffs (Juventus) (14).

The top 10 clubs and their numbers of votes were: Polonia 66, Hellas 63, Juventus 61, Victoria 56, Elizabeth 55, Azzurri 52, Cumberland 51, Lion 48, Budapest 48, Croatia 40.

The top four clubs in the League competition — Hellas, Juventus, Victoria and Polonia in that order—also finished as the top four in the overall voting, but in different order — Polonia, Hellas, Juventus, Victoria.

Hellas, Juventus and Polonia got two players each in the top 10 on votes, while Lion, Eliza-

beth, Victoria and Cumberland got one each.

Previous Medal winners were: Billy Graham (Croatia), Rab Jones (Beograd), Peter McKenzie (Victoria), Eugene Nowak (Polonia), Eric Norman (Juventus), Terry Wetton (Azzurri).

MIXED RUN FOR STATE TEAM

By TOM McKAIN

The State team had very mixed fortunes, and form, plus three coaches, in 1971.

But the final outcome, if we include the State Under 21 and Youth team, was satisfactory.

With a last-minute match against Czechoslovakian club side, Kosice, Edmund Kreft, who had quit the State job to concentrate on Juventus, was asked to coach for one match.

With a hastily put together squad, and minimum training together, S.A. went down only 1-0 to the tourists, and all looked well for future games.

But it was not to be.

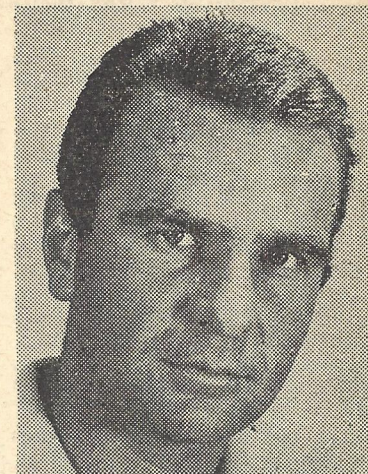

George McMillan, who had parted company with Juventus, was named State coach and had the misfortune to have Russian aces, Moscow Dynamo, as his first opponents.

The result was a 6-0 win for the Russians. S.A. adopted an attacking policy, but it did not come off. The Russians also used 17 players during the game due to a substitute mix-up.

There was a change of coach for the match against Victoria in Melbourne, when McMillan could not agree with S.A. Federation officials on selection policy, and resigned.

Peter Jaksa, Lion's Club coach, took on the job, breaking the "no club coaches as State coach" policy.

However, he proved an instant success when he took his squad to Victoria and won 3-0.

Peter Jaksa

Once again it looked as if we were in for a successful run, and before the return match with Victoria in Adelaide we were already counting S.A.'s goals.

But the State side flopped to a 1-1 draw, at no time displaying the form they showed in Melbourne.

The match against the English F.A. touring team also proved a disaster, the tourists winning 5-0.

However, there was some consolation in the fact that S.A. did try to move the ball around, and had to play for most of the match with 10 men when Milan Mihailovic was ordered off after a

● STATE TEAM—Continued

clash with one of the Englishmen in the first half.

Next it was turn of the Under 21's, whom Jaksa gathered together to tackle the N.S.W. Under 21's in Adelaide.

Down 2-0, it looked as if all was lost, and N.S.W. would once again claim we were a minor soccer State.

But the S.A. youngsters, having their first game together, refused to give up and the final score was 2-2—and we missed a penalty which would have meant victory!

Jaksa's greatest triumph was to bring back the Youth team with the Australian Youth Championship trophy from Canberra, where the S.A. boys had taken on the best in Australia.

The senior results and squads were:—

S.A. 0, KOSICS (Czechoslovakia) 1.

Romanowicz, B. Nyshohus, Kefaloudis, Kouzapa, Burdett, Perin,

JOHN MARTIN'S "DEBUT"

WAKEFIELD PIPS BEOGRAD

A new trophy, the John Martin Cup, was put up for competition for Second Division clubs in 1971.

The City and suburban retailer not only offered the cup, but also \$300 in prizemoney, which gave the minor league teams plenty of incentive.

The winners received \$200 and the runners-up \$100.

Favorites for the trophy were Beograd, destined for promotion, but Wakefield Wanderers got up in the final to win 2-1.

The full results list was:

● MINI-WORLD CUP

New Cup Tourney

Lion introduced a new event to the S.A. scene—a Mini-World Cup, in which seven-a-side teams, representing different countries, clashed on a Sunday afternoon at Hindmarsh Stadium.

Lion sponsored the tournament to mark their 20th anniversary, and were represented by the "Ukraine" team.

Players in the sides had to be born in the country they represented, or have parents who were born there.

Lion are hoping the competition, and the Cup they presented, will be taken over by the S.A. Federation and run as an annual event.

The series, which the Ukraine won by defeating Scotland two corners to one, proved a stiff test of stamina for the players as well as skill.

With a full-sized pitch and only seven players in each team, everyone but the goalkeeper had to run their legs off.

Without naming names, it was obvious that some of the teams had no idea of how to play "sevens" in which passing and conserving energy are essential.

Accurate passing and moving into open spaces was another art which several players lacked.

Apart from the excellent weather and some outstanding soccer, the series was notable for the failure of some of the favorites.

Details:

Scotland 2, Hungary 0; England B 1, Poland 0; Italy 2, England A 1; Ukraine 3, Germany 0; Yugoslavia 3, Greece 0.

Scotland 3, England B 1; Ukraine 2, Italy 1.

Scotland 2, Yugoslavia 1.
Ukraine 2 corners, Scotland 1 corner.

Schools and Colts' reports

By ARTHUR PLUNKETT,
Secretary

The 1971 season again showed a very significant rise in the number of teams competing in the various zones.

Growth in the inner metropolitan areas was not so great because of the lack of grounds and coaches.

Again there was a tremendous growth in the Elizabeth area. This zone alone has been responsible for promoting 122 primary school teams ranging from 6-13 years, and 29 teams in the 14-16 years group, a total of 2,700 registered players.

Growth in the North-West Zone was also evident with new age group leagues being formed and hopes of even younger age group leagues for this year.

The Southern Zone also showed its strength with the Colts and Junior Colts leagues being well supported.

The Northern Areas U/16 League is expected to be formed this year.

There was great activity on the interstate scene with many zones entertaining teams from interstate at their own expense.

They are, of course, reaping the benefit of the valuable experience being gained by their players in this field.

The North West and Southern zones each entertained three teams from Victoria and the Elizabeth zone played host to two teams from N.S.W.

We also had the Sydney High Schools and Primary Schools teams touring and a very late entry was an under 12 team from Victoria.

On the outward bound side we had our very successful U/16 taking out the National title, an undefeated U/14 side touring Victoria, and a team from the Elizabeth zone touring N.S.W.

These interstate games against Victoria would seem to be natural for yearly competition, officials from various States would like, and indeed are very anxious to bring about a national yearly competition which at present would involve Victoria, Tasmania and South Australia, with a very good chance of N.S.W. joining in to make this a "Mini-National" at U/14 level.

The officials of the Victorian U/12 side, though mainly restricted to games at club level, due to the short notice of the tour, were very impressed with the standard of our club sides, and made it very clear that they would be only too happy to have a State side visit Victoria this year.

To sum up, the season has been a very successful one both in the increase of players actively taking part and in the standard of soccer being shown by these players.

Our hopes for 1972 are for the continued progress of junior soccer, and for the continued assistance and support from those people in "high places", without whom we should be struggling indeed. I refer, of course, to the

● AMATEUR LEAGUE

BIGGER AND BETTER

The progress and popularity of our game will mostly be judged by the number of spectators watching the game and the number of players participating.

We are not qualified to reflect on the increase in spectators as the S.A. Soccer Federation as the senior body provides the top competitions and therefore has the spectator appeal.

If, however, players participating in the game is any indication of the growth then the future looks very rosy.

From a very modest beginning in 1965, when the Amateur League fielded eight teams with 100 registered players, it has bounced ahead to a total of 59 teams and more than 1200 players participating last year.

All this in the seven years, and there is every indication the trend will continue in 1972.

Newcomers to the league—M.U. Findon, Adelaide Lions, Elizabeth Downs, Brighton City, Salisbury Florina, M.E.B. Adelaide, Port Noarlunga, Hindmarsh Old Boys, Wakefield Old Boys, Woodside and Athelstone—boosted the number of clubs to 31.

From the previous year Munno Para Celtic and Port Adelaide did not reaffiliate.

Last year saw the introduction of Players' Registration Passes, which proved to be very successful, as not one case of illegal players was reported.

This, however, was the only success on the administration side of the game. As in previous years, it was again impossible to fill all positions on the management committee, putting unnecessary pressure on the few officials who did get elected.

The newly-formed referees' appointment committee got off to a slow start and it was not until the end of the season that it started to work with some success, but precious experience was gained and we should benefit greatly this coming season.

The Disciplinary Committee dealt with 53 cases, only eight more than the previous year. Considering 110 more matches were played, this was a marked drop in offences.

Austria again topped this dubious honours list by recording twice as many offences as the next "best" club, Para Hills.

The Disciplinary Committee, under Chairman J. Meuris, kept the good reputation it earned in the last two years from all quarters, by being consistent and dealing severely with persistent offenders, one player being suspended until the end of the 1972 season. One club, Wakefield Old Boys, finished the season with a clean sheet.

For the third year running, and the fourth time, Munno Para

Apac carried off the double—Championship and Challenge Cup.

As founder members of the Amateur League, and yardstick by which all other teams were judged over the last seven years, they will be sadly missed, as by now they have set their sights on higher things and have been admitted to the Federation's Third Division.

Newly promoted N.A. Apollo XI and Madison Park proved themselves worthy first division teams, finishing the season second and fourth respectively.

Hectorville YCW failed to win a game and, with Elizabeth Thistle, were relegated.

Parafield Gardens won the second division and, with West Beach, after one year in this division, were promoted. As all the new teams were split into two divisions (3rd and 4th) the two winners, M.U. Findon and Port Noarlunga, the respective winners, were promoted to second division.

The Cup final, one of the best games seen last season, saw Munno Para Apac beating unlucky Austria 3-2, while the Reserves Cup was also claimed by Munno Para Apac.

The Minor Cup for 3rd and 4th Division teams went to Adelaide Lions, who beat Port Noarlunga in the final.

The Chairman's Cup, awarded to the club that did the most for the game, went to the Army boys at Woodside.

Former Queensland State player, David Hartley, recorded the most votes from the referees to win the coveted "Player of the Year" award. He also finished the season as top goal-scorer with 32 against his name.

WOMEN'S SOCCER

Now the girls get organised

In August last year a steering committee was formed with Norman Stidolph as President and Mrs. Joan Bell Secretary.

In September an inaugural meeting was held with Mr. Alex Hastings, S.A.S.F. President, taking the chair for the evening. He promised us his support in our new venture.

Mr. Dennis Horne, from the National Fitness Council, has also been very helpful.

Currently four teams have been playing practice matches and it is understood Elizabeth High School will enter two teams this season and to be coached by Barry Reynolds, of Hellas.

Two other schools in Adelaide have also indicated interest in the possible formation of teams next season—Findon and Woodville High Schools.

We want to stress that we do not want to confine this venture solely to Elizabeth and Salisbury Districts.

Further information can be obtained from the Secretary, S.A. Ladies' Soccer Association, Mrs. Joan Bell, 29 Nautilus Road, Elizabeth East.

"Best and Fairest" in second division was former Juventus player, R. Coburn, while the honours in 3rd went to D. Harlow and in 4th to O. Simon.
